A year's worth of strips -- many with comments from Jerry and Rick. From the dark days of sleep deprivation to the cacophony of a tri-kid family, Baby Blues reveals the true dark underbelly of parenting to the delight of newspaper readers everywhere. Like a comic epidural, or butt cream on a raging diaper rash, this comic strip has helped take some of the sting out of parenting for countless parents around the world. Baby Blues transcends the comic page by fusing the award-winning imaginations of Rick Kirkman and Jerry Scott with familiar family life. Kirkman and Scott intuitively balance the humorous with the poignant through relatable and sometimes all-too-familiar parenting scenes.
