Books Descriptions

The first book to feature this modernist masterpiece, one of Walter Gropius and Marcel Breuer's most important residential commissions. Offering a rare opportunity to explore the largest and most luxurious house designed by Walter Gropius, founder of the Bauhaus, and Marcel Breuer, leading architect and furniture designer of the twentieth century, this beautifully designed volume celebrates the Alan I W Frank House in Pittsburgh, Pennsylvania. Built in 1939-40, the house embodies the Bauhaus total work of art philosophy, with Gropius and Breuer having designed every aspect of the building and its site. Illustrations including new and archival images and the architects' plans and sketches highlight an exquisite balance of proportions and colors. Accompanying essays place this house firmly within the American modernist canon just as the Bauhaus celebrates its one-hundredth anniversary in 2019.
