## Books Descriptions

A stunning and timely creative call-to-arms combining four extraordinary written pieces by Neil Gaiman illustrated with the striking four-color artwork of Chris Riddell. The world always seems brighter when you've just made something that wasn't there before. Neil Gaiman Drawn from Gaiman's trove of published speeches, poems, and creative manifestos, Art Matters is an embodiment of this remarkable multi-media artist's vision—an exploration of how reading, imagining, and creating can transform the world and our lives. Art Matters bring together four of Gaiman's most beloved writings on creativity and artistry: Credo, his remarkably concise and relevant manifesto on free expression, first delivered in the wake of the Charlie Hebdo shootings; Make Good Art, his famous 2012 commencement address delivered at the Philadelphia University of the Arts; Making a Chair, a poem about the joys of creating something, even when words won't come; On Libraries, an impassioned argument for libraries
