Books Descriptions

Mira, the Hopebearer Mira Minkoba is on the run with her friends after a fiery escape from the Pit, where she'd been imprisoned for defending the dragons she loves. And she wants answers. Where have all the dragons been taken? Why are powerful noorestones being shipped to the mainland? And did the treaty she's been defending her whole life truly sell out the Fallen Isles to their enemies? Mira, the Dragonhearted As her connection to the dragons and their power grows stronger, so does Mira's fear that she might lose control and hurt someone she loves. But the only way to find the truth is to go home again, to Damina, to face the people who betrayed her and the parents she's not sure she can trust. Home, where she must rise above her fears. Or be consumed.
