Books Descriptions

Barron's AP Biology is one of the most popular test preparation guides around and a "must-have" manual for success on the Biology AP Test. In this updated book, test takers will find:

- Two full-length exams that follow the content and style of the new AP exam
- All test questions answered and explained
- An extensive review covering all AP test topics
- Hundreds of additional multiple-choice and free-response practice questions with answer explanations

This manual can be purchased alone, or with an optional CD-ROM that includes two additional practice tests with answers and automatic scoring.

BONUS ONLINE PRACTICE TEST: Students who purchase this book or package will also get FREE access to one additional full-length online AP Biology test with all questions answered and explained.
