## Books Descriptions

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BUZZFEED - A companion novel inspired by *Star Wars: Battlefront*, this action-packed adventure follows a squad of soldiers caught in the trenches of the ultimate galactic war between good and evil. The bravest soldiers. The toughest warriors. The ultimate survivors. Among the stars and across the vast expanses of space, the *Galactic Civil War* rages. On the battlefields of multiple worlds in the *Mid Rim*, legions of ruthless stormtroopers--bent on crushing resistance to the Empire wherever it arises--are waging close and brutal combat against an armada of freedom fighters. In the streets and alleys of ravaged cities, the front-line forces of the Rebel Alliance are taking the fight to the enemy, pushing deeper into Imperial territory and grappling with the savage flesh-and-blood realities of war on the ground. Leading the charge are the soldiers--men and women, human and nonhuman--of the *Sixty-First Mobile Infantry*, better known as *Twilight*
