Books Descriptions

Kids who love vehicles and the sounds they make will steer toward this interactive book featuring dozens of flaps. Maisy is going for a ride in her car. Who will she meet as she goes? There's Dotty driving her tractor (Chug, chug!), Peacock on his bicycle (Ding, ding!), Ostrich waving from his train (Choo, choo!), Eddie flying his helicopter (Chop, chop!), Tallulah in her fire engine (Nee-nah, nee-nah!), and Cyril driving his bus (Honk, honk!). But what's hidden inside and around all these noisy vehicles? Lift more than fifty flaps to see!
