

Lire un livre Biblical Theology: How the Church Faithfully Teaches the Gospel (9Marks: Building Healthy Churches)

By Nick Roark

Throughout the history of the church, Christians have always had to contend with the influence of unbiblical teachings related to God, humanity, and salvation. One of the most important safeguards against all forms of heresy is a robust appreciation for biblical theology--reading the Bible in a way that takes into account the whole storyline of redemptive history. Exhorting pastors and other church leaders to prioritize biblical theology in their own congregations, this book explains basic principles for reading the Bible that help pastors teach the big story of the Bible from every text. Understanding the Bible in Christ-centered terms shapes the church's teaching and mission, and protects the truth of the gospel around the world.
