Books Descriptions

The new edition of this well-established and highly regarded work has been fully updated to encompass the major changes and developments in the law, including coverage of the Recast Brussels I Regulation which came into force in 2015. The book is invaluable for the practitioner as well as being one of the leading students' textbooks in the field, giving comprehensive and accessible coverage of the basic principles of private international law. It offers students, teachers and practitioners not only a rigorous academic examination of the subject, but also a practical guide to the complex subject of private international law. Written by an expert team of academics, there is extensive coverage of commercial topics such as the jurisdiction of various courts and their limitations, stays of proceedings and restraining foreign proceedings, the recognition and enforcement of judgments, the law of obligations with respect to contractual and non-contractual obligations.
