"He who bathes in the blood of the demons...Shall slay the first evil!" Amber, Ray and Aria are three courageous and spirited young women who attend the Grand College of Elements, located in Kingdom Iora. This is one of the three grand kingdoms that are still struggling to stand their ground against the oppression of the demons and the plan to wipe out their existence. Whilst desperately trying to save a young girl from a vicious sea demon, they receive help from Soul, a heroic young man who agrees to become their master and train them to become even stronger. But is Soul just who he claims to be? Who is the white woman who appears? And, as the demons release a monumental attack upon them, who can they trust to be on their side?
