The fifth volume of Peter Ackroyd's enthralling History of England, Dominion, the fifth volume of Peter Ackroyd's masterful History of England, begins in 1815 as national glory following the Battle of Waterloo gives way to a post-war depression and ends with the death of Queen Victoria in January 1901. Spanning the end of the Regency, Ackroyd takes readers from the accession of the profligate George IV whose government was steered by Lord Liverpool, whose face was set against reform, to the 'Sailor King' William IV whose reign saw the modernisation of the political system and the abolition of slavery. But it was the accession of Queen Victoria, at only eighteen years old, that sparked an era of enormous innovation. Technological progress from steam railways

to the first telegram? swept the nation and the finest inventions were showcased at the first *Great Exhibition* in 1851. The emergence of the middle-classes changed the shape of society and scientific advances changed the old pieties of
