Books Descriptions

One of Poland's most imaginative and lyrical writers, Olga Tokarczuk presents us with a detective story with a twist in *DRIVE YOUR PLOW OVER THE BONES OF THE DEAD*. After her two dogs go missing and members of the local hunting club are found murdered, teacher and animal rights activist Janina Duszejko becomes involved in the ensuing investigation. Part magic realism, part detective story, *DRIVE YOUR PLOW OVER THE BONES OF THE DEAD* is suspenseful and entertaining reimagining of the genre interwoven with poignant and insightful commentaries on our perceptions of madness, marginalised people and animal rights.
