

# Lire des livres Extra Practice for Struggling Readers: Phonics: Motivating Practice Packets That Help Intermediate Students Build Essential Decoding Skills to Succeed in Reading and Writing

By Linda Beech

DOWNLOAD

READ ONLINE

While phonics instruction is important for all readers, it is essential for older students whose underdeveloped reading skills impede content-area learning. This resource offers dozens of practice pages that give struggling readers multiple opportunities to recognize, review, and reinforce must-know phonics elements, such as consonants, long and short vowels, blends, digraphs, and more. With this practice, students dramatically improve their ability to recognize sound-spelling relationships and use these skills to accurately and efficiently decode words, which in turn boosts fluency and comprehension.
