Books Descriptions

Practical advice on fashion photography and inspirational images from professional photographer Dixie Dixon. Only a few years ago, fashion photography used to be a stuffy world for a tiny elite. Now an explosion in social media and lifestyle advertising has created opportunities for a whole new breed of professional photographer. Fashion and Lifestyle Photography is based on the talks Dixie Dixon, a Nikon Brand Ambassador, has given to crowds at major US trade shows and at B&H, America's largest photography store.

Expanding on the subject in the book, she reveals how to succeed in this exciting marketplace. From finding your vision, to building your dream team, this book will provide you with the essential gear and know-how to capture the looks of the media world that leap off the page or screen.
