## Books Descriptions

When darkness veils the world...Light and darkness hold the world in balance-and should that equilibrium ever break, only the four warriors chosen by the Crystals can prevent inevitable ruin. This is the story of three times the balance shifted-and the three bands of friends who came together to save the world. See where it all began with the novel adaptation of the first three stories from the classic FINAL FANTASY series, penned in celebration of its 25th anniversary!
