Books Descriptions

Do you need help making your food look as delicious as it tastes? Are you a "foodie" hungry for more tantalizing photos of your culinary creations? Do you have a food blog that you'd like to take to the next level, with better images and a stronger business strategy? Then this book is for you! In *Food Photography: From Snapshots to Great Shots, Second Edition*, photographer Nicole Young returns to dish up the basics on everything you need to know to make great food images, from getting the right camera equipment to mastering the key photographic principles of aperture, ISO, and shutter speed. She offers tips on styling food using props, fabrics, and tabletops; and she explains how to improve your photos through editing after the shoot. This new edition features many brand-new images and examples, accompanied by up-to-date discussions on achieving good lighting and composition. In addition Nicole covers developments in the industry that have emerged since the publication of the first
