## Books Descriptions

An anthology of the complex issues of the ego, ambition, power and destructiveness from the perspective of a contemporary mystic. Osho shows the way to liberation from the illusions of the personality through an internal revolution - the psychology of the Buddhas. The ego is just the opposite of your real self. The ego is not you. It never allows you even a glimpse of your real authentic self, and your life is there, in your authenticity. Hence, this ego only produces misery, suffering, fighting, frustration, madness, suicide, murder -- all kinds of crime.
