Books Descriptions

Rising from ashes is hard. Giving up the one you love is harder. Thirty-two year-old Phoenix Walker is an entrepreneur who has built an agency with a heart almost as big as his own. To add to his good fortune, he's falling for Orchid Paige, the beautiful half-Asian marketer who's collaborated with him on a winning military campaign. They've grown close after months working and traveling together. She's even divulged the trauma in her past that makes her panic over images of injured vets. He's trying not to cross their professional boundary. Their searing attraction heightens. Until an accident changes him forever. Now, he's faced with the hardest decision of his life. Does he burden the woman whose traumatic childhood makes him feel protective of her? Or does true love mean leaving her without explaining why?
