Books Descriptions

"This extraordinary book is the roadmap for a new kind of effective activism." -- Brian Eno
"This book is for people who are angry with the ways things are and want to do something about it; for people who are frustrated with the system, or worried about the direction the country is going. Maybe they've been on a march, posted their opinions on social media, or shouted angrily at something they've seen on the news but don't feel like it's making any difference. It is for people who want to make a change but they're not sure how." -- Matthew Bolton
