Books Descriptions

Hard-hitting divorce lawyer James Sexton shares his insights and wisdom from the front lines of divorce to keep you out of his office and improve your relationship. *If You're in My Office, It's Already Too Late*. James Sexton knows this. After dealing with more than a thousand clients whose marriages have dissolved over everything from an ill-advised threesome with the nanny to the uneven division of carpool duties, he also knows all of the what-not-to-dos for couples who want to build--and consistently work to preserve--a lasting, fulfilling relationship. Described by former clients as a "courtroom gunslinger" and "the sociopath you want on your side," Sexton tells the unvarnished truth about relationships, diving straight into the most common marital problems. These usually derive from dishonest--or nonexistent--communication. Even when the alleged reason for separation is one spouse's new "personal trainer," there's likely a communication problem that predates the fitness kick.
