No other pope of this century has aroused so much interest and universal affection throughout the world as has Pope John XXIII. Journal of a Soul is an inspiring reading experience that records this pope's thoughts and traces his spiritual development from adolescence to the seminary to a career as a priest, a European papal diplomat, Patriarch of Venice, and finally Pope John XXIII. This Image Books edition features a biographical portrait of Pope John by his personal secretary, Monsignor Loris Capovilla. It also includes several of his most moving prayers, sixty brief thoughts and aphorisms, his "Rules for the Ascetic Life," many of his letters, even his last will and testament.
