

Obtenir des livres Junqueira's Basic Histology: Text and Atlas, Fifteenth Edition

By Anthony Mescher

Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. The text that has defined histology for generations--concise, clear, beautifully illustrated, and better than ever A Doody's Core Title for 2019! For more than four decades, Junqueira's Basic Histology has built a global reputation as the most accessible, yet comprehensive overview of human tissue structure and function available. This trusted classic delivers a well-organized and concise presentation of cell biology and histology that integrates the material with that of biochemistry, immunology, endocrinology, and physiology, and provides an excellent foundation for subsequent studies in pathology. Junqueira's is written specifically for students of medicine and other health-related professions, as well as for advanced undergraduate courses in tissue biology - and there is nothing else like
