## Books Descriptions

Knowing the industry-standard animation and interactivity tool Adobe Animate CC can help you get a foothold in the exciting web design and mobile app-development world. Learn Animate CC by building cool creative projects that will teach you how to:

- Design and animate vector artwork
- Compose an animated greeting card using HTML5
- Build a promotional video with text and images animated in 3D
- Build an interactive poem generator using JavaScript
- Construct a working digital clock using ActionScript
- Design and code an interactive quiz for mobile devices

This study guide uses video integrated with text to help you gain real-world skills that will get you started in your career designing and building multiplatform animations using Adobe Animate CC and lays the foundation for taking the Adobe Certified Associate certification exam in that field. A mix of 7 project-based lessons, 10 hours of practical videos, and interactive quizzes prepares you for an entry-level position in a competitive job
