Books Descriptions

Create your own custom city with instructions for over 50 builds from 8 amazing LEGO Micro Cities! The designs and photos are striking -- but more importantly, readers get the building instructions they need to recreate their own micro cities. LEGO Micro Cities is a full color guide to creating intricate LEGO micro cities. Readers learn how to recreate classic architectural styles using only LEGO bricks. In addition to creating entire buildings, LEGO model-building expert Jeff Friesen shows how to create interesting architectural features like bridges and skyscrapers, and will offer suggestions on how to customize your cities and make the models your own. With its collection of stunning photography and instructions for building modern cities, futuristic metropolises, and otherworldly utopias, LEGO Micro Cities is sure to provide hours of building fun and inspiration for readers of all ages.
