Books Descriptions

Leon, the home of naturally fast food, has created a collection of more than 100 fuss-free, full-of-flavor recipes for main course dishes that you can create with only one cooking pot, pan or baking tray. Whether you are looking for a simple mid-week supper, a quick weekend lunch or something impressive (but easy) to serve to friends, this book has the answer. From one-pan pastas to warming tagines, fragrant tray-baked fish and veg to Asian-inspired stir-fries, Happy One Pot is all about the food and not the washing up. Includes recipes that are Naturally Fast, Fresh & Easy, Cosy & Warm, Posh, Low & Slow and Simple Suppers.
