Books Descriptions

ESPN personality and Paralympics champion Victoria Arlen shares her courageous and miraculous story of recovery after falling into a mysterious vegetative state at age eleven and how she broke free, overcoming the odds and never giving up hope, eventually living a full and inspiring life. When Victoria Arlen was eleven years old, she contracted two rare diseases simultaneously and fell into a mysterious vegetative state. For two years her mind was dark, but in the third year, her mind broke free, and she was able to think clearly and to hear and feel everything?but no one knew. When she was fifteen years old, against all odds and medical predictions, she was finally able to communicate through eye blinks, and she gradually regained her ability to speak and eat and move her upper body, but she faced the devastating reality of paralysis from the waist down because of damage to her spine. However, Victoria didn't lose her strength or steadfast determination, and two years later, she won
