Books Descriptions

The New York Times bestselling sequel to Newbery Medalist Jerry Spinelli's modern-day classic *Stargirl!* *Love, Stargirl* picks up a year after *Stargirl* ends and reveals the new life of the beloved character who moved away so suddenly at the end of *Stargirl*. The novel takes the form of "the world's longest letter," in diary form, going from date to date through a little more than a year's time. In her writing, *Stargirl* mixes memories of her bittersweet time in Mica, Arizona, with involvements with new people in her life. In *Love, Stargirl*, we hear the voice of *Stargirl* herself as she reflects on time, life, Leo, and?of course?love. Don't miss Jerry Spinelli's latest novel, *The Warden's Daughter*, about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent... No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." ?The New York Times
