A provocative and enlightening look at spiritual unease and its contribution to the void in modern civilization. Considered by many to be one of the most important books in the field of psychology, *Modern Man in Search of a Soul* is a comprehensive introduction to the thought of Carl Gustav Jung. In this book, Jung examines some of the most contested and crucial areas in the field of analytical psychology, including dream analysis, the primitive unconscious, and the relationship between psychology and religion. Additionally, Jung looks at the differences between his theories and those of Sigmund Freud, providing a valuable basis for anyone interested in the fundamentals of psychoanalysis.
