Books Descriptions

Modernist Bread: The Art and Science is a revolutionary new understanding of one of the most important staples of the human diet. Created by the team that published the award-winning Modernist Cuisine: The Art and Science of Cooking, this massive treasury of practical knowledge and groundbreaking techniques captures over four years of independent research and collaborations with leading industry professionals; the result is the most in-depth look at bread to date. Stunning photography brings the complete story of bread to life across five volumes--uncover its incredible history, loaves from every corner of the world, and the breath-taking beauty of scientific phenomena at work above and below the crust. In addition, you will discover innovative recipes and techniques developed by the Modernist Cuisine team that have not been published anywhere else. Housed in a sleek stainless steel case, this five-volume set contains more than 1,500 traditional and avant-garde recipes, as well as a
