Books Descriptions

Sixteen-year-old Regina is very different from the Regina known by fans of ABC's "Once Upon a Time." She seeks romance, adventure, and approval. Of course, getting approval from a mother like Cora is next to impossible. For Regina, friendships have always been a rare commodity. Could it be that Regina has finally found a true friend? Or is it too good to be true? As Regina struggles to find her own identity and create her own destiny, she discovers that her fate might just be to become everything she despises.
