

# Bucher herunterladen Otherlife

By Jason Segel

Simon, Kat, Busara, and Elvis are on the run with the tech super-villains at the Company hot on their heels. The new VR gaming experience the Company created, OtherEarth, will change how the world experiences video games. Paired with the hardware the Company developed, it has the potential to change the world as we know it, altering our reality forever. The Company is on its way to becoming the world's newest superpower. And Simon is determined to shut them down forever. But to do that, he'll have to survive OtherLife--the next phase of gaming, and a complete reality reboot. A CBC Teen Choice Book Award Nominee
