She's a modern woman. He's a blast from the past. Can their love survive the test of time... and war? Adventure reporter Melanie "Mel" Morton tackles current events, not historical retellings. But that all changes when a WWII veteran tracks her down and seeks her help in saving her gold-star grandfather's life... by traveling back in time. For Mel, the stakes keep rising until she finds herself on her grandfather's fateful final mission. Shot down behind enemy lines, Mel and Jack Hamilton, the now-young and handsome pilot, must navigate the occupied French countryside and their generational differences. With her grandfather's life and her future on the line, Mel and Jack can't afford the distraction of their undeniable chemistry. Failure to complete their mission could get them killed, or worse, change the course of history. *Out of Time* is a riveting time travel romance adventure novel. If you like explosive chemistry, rapid-fire action, and accurate depictions of the Second World War,
