Books Descriptions

My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them. Stable, secure, predictable. But one kiss showed me that I'd been playing it safe for far too long. One night, and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But when my demons return, that life might end up shorter than either of us expected?
