Three friends, two love stories, one convention: this fun, feminist love letter to geek culture is all about fandom, friendship, and finding the courage to be yourself. Charlie likes to stand out. She's a vlogger and actress promoting her first movie at SupaCon, and this is her chance to show fans she's over her public breakup with co-star Reese Ryan. When internet-famous cool-girl actress Alyssa Huntington arrives as a surprise guest, it seems Charlie's long-time crush on her isn't as one-sided as she thought. Taylor likes to blend in. Her brain is wired differently, making her fear change. And there's one thing in her life she knows will never change: her friendship with her best guy friend Jamie—no matter how much she may secretly want it to. But when she hears about a fan contest for her favorite fandom, she starts to rethink her rules on playing it safe. *Queens of Geek* by Jen Wilde, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, is an empowering novel
