Fine-tune your awareness with Sacred Geometry Activations Oracle and enter the realm of multidimensionality. Plato referred to sacred geometry as the language of the soul. For thousands of years, sacred geometry has been a part of every culture. It is the bond that connects us all to the cosmos; it is the true design of our soul. Sacred geometry is the blueprint of creation at the core of all form even at the core of you. Quantum artist LON has created 44 Activations that encourage your analytical mind to step aside so you can enter the domain of the subconscious and the soul, and connect to the quantum field the space of infinite potential.
