Books Descriptions

The nuanced realm of Nordic design has two personalities. On one side, there sits the open, light, friendly, and democratic constituent. And, on the other hand, is its moody counterpart: sleek and sophisticated; timeless and traditional; and deeply rooted in the sensations and juxtapositions of nature. Within the lines of tile-covered roofs born from the existence of nearby clay deposits and large windows that let in light during the shorter winter days, insight into this special thread of skilled craftsmanship awaits. Scandinavia Dreaming presents dazzling interiors, architecture, and products that show the richness, variety, and intensity of contemporary Nordic spaces. Artisans fresh from design school breathe new life into the wonted usage of tile, wood, glass, ceramics, and other customarily Nordic materials. Profiles of brands and personalities that have influenced and, arguably, brought Nordic threads to the forefront of design conversations, tell an intriguing story: an
