Books Descriptions

A recent study found that 57 percent of Catholics, 66 percent of Evangelical Protestants, and 10 percent of Jews have reported having a personal experience with a guardian angel. And 20 percent of those who identified themselves as having no religion also claimed having encountered an angel. Seeing Angels is one of the most in depth examinations of angelic ministry by one of the cutting-edge charismatic leaders in the church today. Joshua Mills goes beyond the usual takes on angels regarding spiritual warfare and explores who they are, how to recognize them, and what they do. Part I, Understanding Your Angels, is all about understanding who angels are, exploring why they are necessary and how different angels minister comfort, healing, love, prosperity. It reveals who they carry out specific geographic assignments for cities and nations, as well as the more unique and extraordinary assignments they receive. Part II, Discerning Your Angels, explains how to become more aware of the unseen
