Sketching and drawing are fundamental to creating great art; the simple doodle is often where the artist first brings their ideas and concepts to life. In *Sketching from the Imagination: Dark Arts*, we have gathered together fifty talented traditional and digital artists to showcase work from their sketchbooks, share inspiration, and give insight into how they create imaginative and dark illustrations. Featuring a range of artwork and artists from many fields, from concept design and animation to illustration and comic art, *Sketching from the Imagination: Dark Arts* is a collection of beautifully macabre sketches with plenty of useful tips and creative insights?an invaluable resource that will inspire artists of all abilities.
