Books Descriptions

Speaking Being: Werner Erhard, Martin Heidegger, and a New Possibility of Being Human is an unprecedented study of the ideas and methods developed by the thinker Werner Erhard. In this book, those ideas and methods are revealed by presenting in full an innovative program he developed in the 1980s called The Forum--available in this book as a transcript of an actual course led by Erhard in San Francisco in December of 1989.

Since its inception, Erhard's work has impacted the lives of millions of people throughout the world. Central to this study is a comparative analysis of Erhard's rhetorical project, The Forum, and the philosophical project of Martin Heidegger. Through this comparative analysis, the authors demonstrate how each thinker's work sometimes parallels and often illuminates the other. The dialogue at work in The Forum functions to generate a language which speaks being. That is, The Forum is an instance of what the authors call ontological rhetoric a technology of
