## Books Descriptions

-MAJOR SPOILER WARNING-While the books don't have to be read in order, if you haven't read Dragonsworn, this synopsis will contain massive spoilers for DS. We just wanted to warn you!-MAJOR SPOILER WARNING-Born before man recorded time, I lived for thousands of years, believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons, and Dark-Hunters, I've struggled to find my way in a world where I've been cursed since the moment a vengeful goddess prematurely ripped me from my mother and planted me into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I've learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her, her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that things are not what they seem in this world and that my Phoebe still lives. Now I will have to travel into the very pits
