Books Descriptions

An alternative cover edition for this ISBN can be found [here](#). Authored by Product Managers at Google, Microsoft, and Facebook, *Swipe to Unlock* is a guide which enables anyone to understand the core concepts of tech and the business strategy behind it in order to succeed in the tech industry or even just be an informed digital citizen and consumer. This #1 Amazon Business Bestseller has been featured in Business Insider and was touted as "our generation's Rosetta Stone for enabling non-engineers to peer into the technology changing everyday life" by Jeremy Schifeling. You probably search on Google every day. But have you ever wondered how Google makes billions of dollars while providing search, email, and maps for free? How do they figure out which ads perfectly capture your interests? And how do they search the entire internet so quickly, anyway? By answering real-world questions like this, *Swipe to Unlock* gives you a peek under the hood of the technology you use every day, decodes
