A perfect toolkit connecting with the world around us and the year ahead as it unfolds - all in a compact and pocket size that just begs you to pick it up and browse. The Almanac: A Seasonal Guide to 2020 reinvents the tradition of the rural almanac for a new audience. It gives you the tools and inspiration you need to celebrate, mark and appreciate each month of the year in your own particular way. Divided into the 12 months, a set of tables each month gives it the feel and weight of a traditional almanac, providing practical information that gives access to the outdoors and the seasons, perfect for expeditions, meteor-spotting nights and beach holidays. There are also features on each month's unique nature, such as the meteor shower of the month, beehive behaviour, folklore and stories, seasonal recipes and charts tracking moon phases and tides. You will find yourself referring to the almanac all year long, revisiting it again and again, and looking forward to the next edition as
