

Acquista eBook The Anarchy: The Relentless Rise of the East India Company

By William Dalrymple

DOWNLOAD

READ ONLINE

The story of how the East India Company took over large swaths of Asia, and the devastating results of the corporation running a country. In August 1765, the East India Company defeated the young Mughal emperor and set up, in his place, a government run by English traders who collected taxes through means of a private army. The creation of this new government marked the moment that the East India Company ceased to be a conventional company and became something much more unusual: an international corporation transformed into an aggressive colonial power. Over the course of the next 47 years, the company's reach grew until almost all of India south of Delhi was effectively ruled from a boardroom in the city of London.
