Books Descriptions

Horse trainer Jonathan Field has made a name for himself with his unique ability to give people simple, understandable, doable steps that lead to working with a horse "at liberty" in a safe and progressive manner. True engagement with a horse at liberty isn't just about removing tack and stepping outside the arena; it's about connection, trust, and communication through movement. Enrich your relationship with your horse, improve your "feel," and teach your horse to respond to the subtlest of cues; no matter your discipline, whether you compete or ride for pleasure, liberty training can change the way you interact with horses forever.
