If you've ever shopped in Anthropologie's homeware section, chances are you've picked up a piece adorned with Nathalie Lete's charming art. Nathalie has been creating ceramics, textiles, illustrations, and other artwork for numerous brands—most notably Anthropologie, Astier de Villatte, Uniqlo, Issey Miyake, and Godiva for the past 20 years. She is one of the most commercially successful French artists working today, whose aesthetic has captured the imagination of people from all over the world: her kitchenware, wallpapers, fabrics, furniture, fashion accessories, and sculptures are coveted items in countries like Japan, the United States, England, Germany, and France, among others. This is Nathalie's first foray into the book world in her prolific 30-year career as an artist. She has gathered more than 250 of her favorite paintings into a magnum opus art book. Rooted in pop art and folklore, her work features magical, colorful, edgy depictions of nature scenes, birds, baby deer,
