## Books Descriptions

The origins and development of bonsai are traced, and the underlying principles of this fascinating art clearly explained. The classic styles are listed and illustrated, together with full descriptions of how they were derived from models in the world. Outstanding examples of plantings in all of the various styles are shown. The types of containers are detailed, and the importance of their use for different trees or styles explained. Advice is given on placing and exhibiting your completed bonsai. CLEAR STEP-BY-STEP SEQUENCE There is comprehensive information on how to create a bonsai from a seedling, cutting, or garden center plant. Clear step-by-step sequences take you from the initial raw material through to the finished bonsai, showing the superb results that can be achieved. All the tools and techniques of bonsai are illustrated and explained, and their use described in detail. Maintenance and propagation sections tell you everything you need to know to keep your bonsai beautiful
