Books Descriptions

Draw the exciting elements of your world with confidence using the tips, techniques, and ideas in *The Complete Urban Sketching Companion*. Packed with information and visual inspiration on sketching architecture, cityscapes, people, and motion, plus lessons on perspective and adding color, this collection will have you filling sketchbook after sketchbook with compelling artwork. The popularity of the urban sketching movement has grown worldwide, and it's easy to see why. Sketching on the go is exciting, rewarding, and creatively satisfying. With so many choices of what to sketch and how to sketch it, you need a companion to offer valuable insights, enlightening tips, and tons of ideas and inspiration. *The Complete Urban Sketching Companion* is that helpful guide to take along on your next overseas adventure, or to your favorite café around the corner. This book includes key drawing techniques and strategies from four books in the *Urban Sketching Handbook* series:

Understanding
