

# Leggi libri The Eyelash Extension Professional Training Manual

By Christa McDearmon

This curriculum is designed to help you succeed in applying and promoting single strand semi-permanent eyelash extensions. This manual will give you all the information you need while you begin your lash training journey and is designed to give you the most extensive and complete curriculum on the market. This curriculum focuses on natural lash health and best practices, not on promoting a brand. The information in this manual contains up-to-date information and materials as of the time of publishing, however, we are discovering fresh techniques and training all the time in this new and exciting field and I encourage you to keep growing and discovering new information. This manual is not intended to replace a hands-on, professional certification course. For beautiful eyes, look for the good in others; for beautiful lips, speak only words of kindness; and for poise, walk with the knowledge that you are never alone.
