By Sophia Amoruso

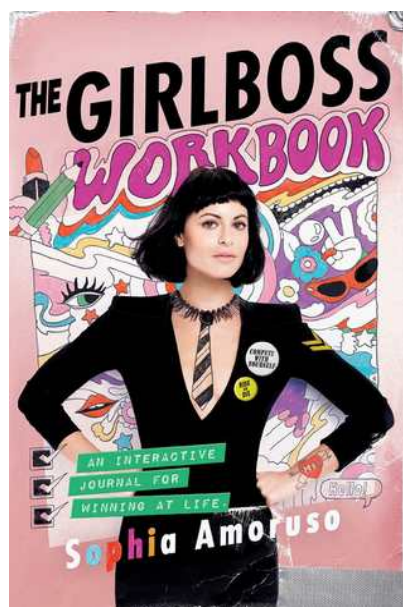

---

Hot on the heels of the new Netflix show based on #GIRLBOSS comes Sophia Amoruso's workbook of tips, doodles, and fill-in-the-blanks that will help you become your best Girlboss yet. A graphic and whimsical easy-to-carry life bible filled with to-do lists, timelines, exercises, illustrations and plenty of scribble room, The Girlboss Workbook is fit for both the dreamer and the doer. It invites you--hell, implores you--to get in there and mess it up a little. Write in the blank spaces and in between them. #GIRLBOSS started as Sophia's story, but The Girlboss Workbook is your story. It includes the best advice from #GIRLBOSS, of course, and will remind readers of the story of the girl who got her start fumbling and failing hard, but now it is time to take her story and use it to help you write your own. Use The Girlboss Workbook to design your own freak flag to your heart's content. Ask yourself (or your mom) what makes you special and then draw in your own special snowflake. Revisit
