## Books Descriptions

In this follow-up to Jory John and Pete Oswald's popular picture book *The Bad Seed*, meet the next best thing: a very good egg, indeed! The good egg has been good for as long as he can remember. While the other eggs in his carton are kind of rotten, he always does the right, kind, and courteous thing. He is a verrrrrrry good egg indeed! Until one day he decides that enough is enough! He begins to crack (quite literally) from the pressure of always having to be grade-A perfect.
